Re : Maintenance on our trading platform

We would like to inform all clients of **Labapro**,

Labapro will undergo a scheduled server maintenance on **Saturday, 1 August 2026**, after market close until **Sunday, 2 August 2026**.

During this period, **Crypto trading will be temporarily unavailable**. Clients will not be able to open, close, or modify Crypto positions.

In addition, **Labapro** app and **Top Up and Refund services** will be **temporarily unavailable** during this maintenance period.

All services are expected to resume and be available again on **Monday, 3 August 2026, at 05:00 WIB (GMT+7)**.

Please ensure the necessary adjustments are made accordingly.

Thank you for your attention.
